

## USA – Unlimited Opportunities

Lehmann & Partner International is an experienced One-Stop-Agency who helps international oriented companies to enter the American market. Technologies, services and goods are sought after in many different business industries in USA.

How can we support your company? We answer all your preliminary questions and recommend first steps. We offer support in the decision making process and prepare a detailed market research study. We design your business plan with crucial information regarding

- Product diversification
- Target markets and clients
- Investments (VC, AI, PE)
- P&L for the first 5 years
- Most favorable location
- Human resources
- Available grants for your enterprise

We prepare, establish and run your business profitable, fast and effective.

Entering the US-American market requires precise and strategic steps. This helps your company to save time and money by taking advantage of lucrative opportunities.

We collaborate with attorneys and CPA's we trust and have worked with for many years. We are members of several business associations and business institutions that allow us to represent your company and your interests.

### ***We represent the following business industries:***

- Environmental industry (air, water, recycling, renewable energy, hybrid technology, wind)
- Automotive, parts, diesel emission control technologies
- Electronics (components, devices, measuring equipment/instruments, sensors)
- Transportation (Hybrids, ELV, Battery – Technologies, Controller)
- Telecommunication services, Internet services incl. carrier services
- Machinery, handling equipment
- High – Tech (IOT, Software application, Big Data, AI, Financial application)

**We offer:**

- Market Research (Study)
- Business Plan
- Company Setup
- Marketing & Sales
- Human Resources
- Preparing and attending trade shows (representing your company)
- Managing the company (temporarily)
- Cross cultural training
- Mergers & Acquisitions including Due Diligence
- And more

We would be glad to talk to you about your plans to take your business to the USA. We offer you a detailed proposal to enter the US-American market and make expanding into the USA easy for you!

Sincerely,

Lutz Lehmann

President
